Photo T-Shirt

5 Lab day service from your print, negative, slide or digital image. Your photo is enlarged up to 8x10" and reproduced onto a specially manufactured Hanes T-shirt. The die-sublimation process insures that the photographic image on these T-shirts will weather many washings. Your original photo is returned to you.

Specify the **adult** size you desire:
Small, Medium, Large, Extra-Large.
(Extra-Extra-Large: Add \$4.50 per shirt).
Text can be added for \$3.00.

Add \$8.95 for a 2nd image (on back side) of shirt.

If the customer wishes to provide their own shirt it will be handled as a Fabric Transfer (below).

Fabric Transfer—Quilt Square

5 Lab day service from your print, negative, slide or digital image. Your photo is enlarged up to 8x10" and reproduced onto 12x12" off-white muslin fabric. Your original photo is returned to you.

Customers may supply their own material for custom gifts. The supplied material must be able to withstand the heat of an iron. White or off-white material works best, since the material's color will be visible through the transferred photo. Text can be added for \$3.00.

READ THIS NOTICE: Submitting any film, print, digital media, or images in any form to this firm for processing, printing, or other handling constitutes an AGREEMENT by you that any damage or loss by our company, subsidiary, or agents, even though by our negligence or other fault, will only entitle you to replacement with a like amount of imaging media or unexposed film and processing. The acceptance by us of the film, print, digital media, or images is without other warranty or liability, and recovery for any incidental or consequential damages is excluded. 90-day unclaimed orders will be considered abandoned.

Photo Mug

5 Lab day service from print, negative, slide or digital image. Your photo is digitally transferred onto a durable, dishwasher-safe mug. Original photos are returned to you.

Ceramic mugs have a hard coating that is microwave safe. PolySub mugs are made of a specially formulated polymer that makes them safe for use at the beach, swimming pool, and any other place where a breakable ceramic mug could cause a safety hazard.

Text can be added for \$3.00.

Photo Buttons and Refrigerator Magnets

3 Lab day service from your print, negative, slide, or digital image. Final product is a circular area for photo buttons and round magnets. If you submit a print for a photo button, it should be slightly larger than 3½" wide, such as a 4x6", since some of the photo must wrap around the edge of the button. White edges may need to be visible on one or more sides in order to avoid unpleasant cropping of your image.

See liability notice below. Call for larger quantity prices.

Locket-Size Print

5 Lab day service from your print, negative, slide or digital image file. Original photo is returned to you.

For the Standard Locket Print, we reproduce your image on a sheet of various size miniature photos, one of which should fit into your locket. The range of sizes is 6x9 mm to 14x22 mm.

Custom Locket Prints can be precisely cropped for any size locket or frame up to 4x6". When ordering a Custom Locket Print, please include the exact dimensions of the photo size you need, or trace the locket inset size onto a piece of paper. We print two identical Custom Locket Photos, in case you make a mistake cutting one to fit your locket.
